

## OUR COMMUNITY

It is true that people find time for the things that are important to them. The people at Kaplin Stewart have always found the time and energy to serve their community. It makes us feel good to do good. We are involved as leaders, members and volunteers in many community projects and organizations, from supporting a local women's shelter to serving on the governing boards of many charitable, professional, nonprofit and cultural organizations. We are extremely proud of the people at Kaplin Stewart and their strong spirit of community and giving.
