

PROJECT CONSULTING AND CONTRACT PREPARATION

Construction Lawyers Assisting Clients Throughout Pennsylvania and New Jersey

When you choose Kaplin Stewart for your project consulting and contract preparation, you will receive personal service from the principal attorneys in our Construction Group practice. Each lawyer in our construction group practice has decades of experience serving all facets of the construction industry. Our lawyers represent construction owners, contractors, construction managers, subcontractors and sureties, in the varied claims and issues that arise in the complex world and work of construction. Every construction attorney possesses a powerful command of construction law issues, including those relating to dispute resolution, professional services, technical insurance, accounting and scheduling issues.

Our Construction Group practice regularly advises clients on various methods of project delivery, including traditional design – bid – build; fast track construction; stipulated sum contracts; guaranteed maximum price contracting; component GMP contracts; design – build contracting; and integrated project delivery. Our Construction Group offers substantive and administrative experience essential to effective, efficient management of construction projects. Our vast understanding of the construction industry allows us to negotiate and mediate construction claims to control risks and minimize costs for our clients. Collectively, we drafted or reviewed contract documents for billions of dollars of construction work. We put our experience to work for you.

We know:

- Why the clause is needed
- How the clause affects a claim
- Wording can further your interests
- Which clauses are important to you

Our Construction Group practice offers high quality, personal service to each and every client. Our Construction Group practice possess "Super Lawyers" in the field of construction law with "AV Preeminent" rankings.
