

REGULATORY COMPLIANCE

Environmental Lawyers Assisting Clients Throughout Pennsylvania and New Jersey

Our attorneys are knowledgeable on environmental laws and regulations and often counsel clients on compliance matters. Such matters include:

- Federal Clean Water Act
- Pennsylvania Clean Streams Law
- Resource Conservation and Recovery Act (RCRA)
- Pennsylvania Solid Waste Management Act
- Pennsylvania Storage Tank and Spill Prevention Act
- Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)
- Pennsylvania Hazardous Sites Cleanup Act (HSCA)
- Federal Clean Air Act
- Pennsylvania Air Pollution Control Act
- Pennsylvania Land Recycling and Environmental Remediation Standards Act (Act 2)
- New Jersey Site Remediation Reform Act (SRRA)
- New Jersey Spill Compensation and Control Act

We work with our clients in developing a strategic plan to ensure that our clients' projects and operations are conducted within the regulatory framework and meet regulatory requirements. If our clients are faced with an alleged violation and an assessment of civil penalties by state and federal agencies, we have the experience to defend our clients on such matters and when warranted, negotiate consent orders and decrees with the governing agency.
