## Tax Lawyers Assisting Clients Throughout Pennsylvania and New Jersey

The tax controversy and litigation practice of Kaplin Stewart successfully represents clients in all major areas of tax controversies before federal, state, and local taxing authorities.

Our success in representing clients in tax controversies is attributable to our experienced group of attorneys.

We regularly assist clients with a complete range of tax controversies, including those concerning:

- Income taxes
- Estate taxes
- Gift taxes
- Employment taxes
- Excise taxes

## Experienced Tax Controversy Lawyers

Our practice covers all phases of tax controversy, including at the federal level, IRS examinations, IRS collections, and the preparation of protests and negotiations with the IRS Appeals Office. Our litigation team practices in the United States Tax Court, the Federal District Courts and the Court of Federal Claims.

Our attorneys are pragmatic and understand our clients' business goals. We also believe that cases are most often advantageously settled when the IRS or other taxing authority knows that the taxpayer's representative is experienced in taking cases to trial.
